Dear Sir,

Sub: Request to process loans to our members – Reg

Our Society is similar to BHEL Mayfair Project, for which you have provided loan to over 300 members.

Our BEMMAC Society consists of 1125 members and we have already handed over individual houses to each in approx. 180Sq.yds and 1086 Sft. Conveyance deeds have been executed by the society on members name at Sangareddy SRO and the documents have been handed over to the members.

Initially SBI, Ramchandrapuram branch sanctioned loans to our members. SBI is taking very long to process our members loans. So some of our members approached us requesting to go for LIC - HFL.

Hence, We request you to take over the loan from SBI, and process loans for our members approaching you. Members seeking Top-up Loans upto 50 lakhs and purchasers may approach you for loans.

We also request you to waive off processing fees and charge 6.6% interest rate. Thanking you,
